1. G-C-G-C G D Em
Slip inside the eye of your mind,
C - D G - Em -D
don't you know you might find a better place to play.
G D Em
You said that you'd never been,
C - D G - Em -D
but all the things that you've seen slowly fade away.

Gm

C Cm G
So I start a revolution from my bed,
C Cm G
'cause you said the brains I have went to my head.
C Cm G
Step outside, the summertime's in bloom,
D
stand up beside the fireplace, take that look from off your face,
Em D C - D
'cause you ain't ever gonna burn my heart out.....t.

G D Em C
So Sally can wait, she knows it's too late,
D G - Em -D
as we're walking on by.

Her soul slides away, but don't look back in anger.
D G
I heard you say.

G D Em
2. Take me to the place where you go,
C - D G - Em -D
where nobody knows, if it's night or day.
G D Em
Please don't put your life in my hands

of a Rock and Roll band, who'll throw it all away.
