

DAY TRIP TO BANGOR

Chorus

C Didn't we have a F lovely time the C day we G went to C Bangor
A F beautiful day we had C lunch on the way
And D7 all for under a G pound you know
Then C on the way back I F cuddled with Jack
And we C opened a G bottle of C cider
F Singing a few of our favourite A7 songs as the D wheels G went C round

C Do you recall the F thrill of it all as we C walked G along the C sea front
F Then on the sand we C heard a brass band
That D7 played De Diddle De G Bum Ta Ra Ra
C Elsie and me had a F nice cup of tea
Then we C took a G peddler C boat out
F Splashing away as we A7 toured round the bay as the D wheels G went C round

Chorus

C Wasn't it nice eating F chocerlate ice as we C strolled G around the C funfair
F Then we ate eels on the C big Ferris wheel
As we D7 sailed above the G ground but then
We C had to be quick because F Elsie felt sick
And we C had to find G somewhere to C take her
I F said to her lad "what A7 made her feel bad" 'twas the D wheel G going C round

Chorus

C Elsie and me we F finished our tea, and we C said good G bye to the C sea side
F Back on the bus C Flo says to us
Oh D7 isn't it just a G shame to go
C Wouldn't it be grand to have F cash on demand,
And to C live like G this for C always
Oh it F makes me feel ill when I A7 think of the Mill and the D wheels G going C round

C Didn't we have a F lovely time the C day we G went to C Bangor
A F beautiful day we had C lunch on the way
And D7 all for under a G pound you know
Then C on the way back I F cuddled with Jack
And we C opened a G bottle of C cider
F Singing a few of our favourite A7 songs as the D wheels G went C round
